

StudySeq P0 PDF Preview Test - Page 1

This file validates PDF import, in-app preview, page navigation, zoom, and reading state recovery in the real Tauri application.

Acceptance marker: P0-PDF-PAGE-1

Expected result: this page renders clearly, page controls work, and the app can return to this material after restart.

StudySeq P0 PDF Preview Test - Page 2

This file validates PDF import, in-app preview, page navigation, zoom, and reading state recovery in the real Tauri application.

Acceptance marker: P0-PDF-PAGE-2

Expected result: this page renders clearly, page controls work, and the app can return to this material after restart.

StudySeq P0 PDF Preview Test - Page 3

This file validates PDF import, in-app preview, page navigation, zoom, and reading state recovery in the real Tauri application.

Acceptance marker: P0-PDF-PAGE-3

Expected result: this page renders clearly, page controls work, and the app can return to this material after restart.
